## 2002/2003 NATIONALS/SABOT WEEK

*With the echo of the SQSA  
war cry still ringing in our ears  
we should take time to reflect  
on the outstanding success of  
both individuals and teams at  
the 39<sup>th</sup> Sabot Nationals and  
Sabot Week.....*

KEPPEL BAY SAILING CLUB & BOAT HARBOUR MARINE*

The host club for Northern NSW was Lake Macquarie Yacht Club and their efforts paid off in the success and spirit of the event. Sailing conditions during the regatta gave a mixed bag of strong to light shifty breezes.

Congratulations to Mitchell Cavill in "Fire 3" whose brilliance in sailing has taken him to take out the Senior National Sabot Championship Title in true style.

Congratulations also to the Keppel Bay team of Kerin Callard and Kimberley White sailing "Esprit" who took out the title of Junior Sabot Week.

Congratulations to all other sailors of both National and Sabot Week Teams who displayed great talent and sportsmanship throughout the regatta. At the closing ceremony of the regatta the Lake Macquarie Yacht Club Commodore made special reference to the team spirit and war cry (which was very intimidating) of SQSA, a truly well oiled machine.

The Teams Trophy for the Senior Nationals was also

taken out by our team, well done guys!!!

Along with any sporting success comes a long list of thankyou's, and we must recognise the efforts behind our teams success.

To the coaches "Knuckles" (Michael Grieve) and Jim Howells many thanks on a job well done. The coaching, training and team building which started back at the Cootharaba Camp through to the Selection Trials, Hervey Bay Training Weekend and to the Lake Macquarie Nationals, the efforts of both Knuckles and Jim paid dividends. Many thanks Knuckles and Jim.

Our teams were extremely lucky to have the services of Team Managers, Mal White and Bill Thorburn who worked to keep all sailors and parents well informed on all regatta details. Thanks Mal & Bill on a job well done.

Thanks to the SQSA Committee who once again worked hard behind the scenes to build a platform on which our young sailors used to achieve their goals at the Nationals and Sabot Week.

**CONGRATULATIONS  
EVERYONE - WHAT AN  
AWESOME EFFORT !!!**

---

SQSA will be hosting the 2006 Nationals and will be calling for expressions of interest from affiliated clubs to host the 2006 National Titles/Sabot Week at their club. So we need all delegates to give your committee a prod in the right direction when this arrives. This is a great opportunity for any club to take on an event such as this. A letter will be sent out in the near future.
